NOR. CALIF. FED. CLUBS CONCLAVE COMING APRIL 19

Woman's Civic Clubs Preparing Plans to Receive and Entertain 200 Delegates At This Event

The visit of Mrs. W. B. Rider, to the Women's Civic Club, last Monday evening, was unusually interesting dealing with Federation News and visits to other sections showing the activities of women all over the world.

Mrs. Rider told of the good being done in London and Paris by the American Women's Clubs, especially in Paris, where special attention is paid to our American girls and women, and to students from this country who need aid and protection.

During the course of Monday's meeting, plans for the approaching Women's Convention were told and members were assured of an enthusiastic response to the call of the district. A large gathering is expected.

Meetings will be held in the Elks hall during the day and will be opened on Thursday morning with greetings from Mayor R. J. Bennetts. The adult public is invited to any of the meetings, and for the entertainment of the convention, members and guest, a fine program of music and oratory has been arranged.

On Thursday, the 19th, a contest of the choral sections of the Federation will be held followed by a Tea at the Empire Country Club with the local club as hostess.

Friday, the 20th, will probably be the big day as Miss Josephine Seaman, State President of Women's Clubs, will speak. Miss Seaman has a reputation for inspirational oratory and much pleasure will be derived from her effort.

A drive up the Ukiah Tahoe high-

(Continued To Page 6)

BAPTISMAL SERVICES IN CHILLY BEAR RIVER

While Mr. and Mrs. George Calanan were out on a motor trip Sunday, March 18, they stopped near the large bridge, north of Auburn, that crosses Bear River, to witness a religious order baptising newly converted members, who seemed to be nearly all women.

There was a large crowd present and their voices were clearly heard as they sang many old hymns. The minister, standing about half immersed in the icy cold water, never left the stream until all were baptised.

Mr. and Mrs. Calanan could not help noticing a group of little boys who had gone a short distance from the congregation and were completely absorbed in the sport of skipping smooth pebbles over the surface of the river. He stated they evidently were city children. Theri shrill little voices were carried up from the river. They were oblivious to their surroundings, almost like a flock of chirping little birds. It was an amusing and interesting spectacle.

LAST STORM BRINGS 1.24 INCHES OF RAIN

The last storm brought Nevada City, 1.24 inches. The rainfall for the month of March, so far, is 1.39 inches.

While snowfall has been very light this winter, the rainfall for the season of 1933-34 to March 29 is 32.77. The rainfall for the whole of last season was 31.46 inches according to the records kept by Mrs. Helen Berger.

Mrs. Berger stated an average is hard to estimate but it is generally considered this district has an average of between 50 and 54 inches of rain and snow.

Mrs. Will Hatch and children were Sacramento visitors Monday.

Injunction Threatened; 100 Miners Are Affected

Complaints of Water Users in Towns Below Newcastle Causes Vice President Downing to Take Drastic Action

All placer mining companies along the Bear river, above the P. G. & E. dam, just north of the Colfax road, have been notified by the Pacific Gas & Electric company, to cease operations at once, or legal proceedings will be instituted to stop them.

The formal notification to cease and desist is signed by Vice President Downing of the P. G. & E.

The objection to the continued use of water for mining purposes raised by the P. G. & E., is that is muddies the water and spoils it for domestic uses..

In times of shortage, Herbert Cooper, manager of the Drumm division of the P. G. & E., explained yesterday, the company is obliged to suppliment the water carried by the Boardman ditch with water from the Bear River. When that happens, the company is showered with petitions and complaints from water users, both domestic and irrigating.

These complaints come from Newcastle, Pennryn, Loomis, Rocklin, Roseville, and Lincoln. The matter is one of long standing controversy.

But on the mining side of this controversy, if P. G. & E., is able to enforce it's order in the courts, approximately one hundred men working in placer mines, will be thrown out of employment. The principal gravel mines affected are Remington Hill, Sailor Flat, You Bet and Liberty Hill properties.

In Sailor Flat it was only recently that the P. G. & E., in response to a petition signed by Nevada City merchants, business men, and the members of the City Council, granted Edward Bickel and associates, the right to use a certain amount of water in their mining operations there.

The operators of these properties affected are aghast at the sweeping order. They will hold a meeting in the near future and formulate some plan to deal with this crisis.

Already they have discovered that in 1913, the P. G. & E., in obtaining the right to carry water down stream in the Bear River, signed an agreement, in securing rights of way at the rate of a dollar a foot, instead of $2.50 a foot, which reads as follows:

"But it is expressly agreed that no right hereby granted is to be construed as, in any manner to deter or interfere with the right of any of said grantors to carry on mining operations upon, or to dispose of the outfall from any mines or mines in the same general manner as heretofore practiced by said grantors."

This contract is recorded in Book 120 of Deeds at page 436 in the Nevada County records.

Under this agreement the placer miners feel that they are now protected in their right to use the water as they have done for scores of years, or are entitled to heavy damages in case the contract is legally abrogated.

PROGRESS IN BULLION MINE

One shift a day by a small crew is working in the Grass Valley Bullion mine, south of Grass Valley.

At the 1500 foot level a station has been completed and sinking carried on for an additional thirty feet. Superintendent C. A. Brockington reports development work satisfactory.

SCOUTS ATTENTION!

Here is a chance to get black walnut seeds from Valley Forge, Mt. Vernon, Arlington Cemetery, Gettysburg or the grave of Theodore Roosevelt, for planting right here in Nevada City.

Black walnut is the most valuable hardwood grown in America. To be sure there are a large number of black walnuts already growing in Nevada City and vicinity, but none of them, probably would have such a historic interest as a tree grown from a nut from any of these historic shrines of American patriots.

Now is the time to plant. April may do, if March goes out like a lion leaving a trail of rain behind.

The way to get these nuts is to write to the Experimental Farm of the United States Department of Agriculture, at Arlington, Virginia. There the nuts from historic spots are sent for hulling, cleaning and sorting. They are then mailed out to the various scout organizations for planting. Next year will be too late, for this was a five year Scout planting campaign, started in 1930 and this is the last year. Several millions of these nuts have already been planted. Now is the time to write. It is an opportunity for Nevada City's wide-awake scouts to avail themselves of a chance to link Nevada City with the famous places in America, where the liberties of this country were cradeled, preserved or baptized in the blood of patriots.

HARRIS DRUG STORE ATTRACTIVELY PAINTED

R. E. Harris, Nevada City druggist, has had his store sign repainted and the whole front given an attractive coat of apple green.

With the pretty Easter lilies and neat display in the show windows, the store elicits much favorable comment.

ALL CWA WORK IN COUNTY HALTED IS LATEST ORDER

Airport and The High School Grounds Must Now Await Direction to Continue Under SERA

Fred M. Miller, county CWA director, on Wednesday, sent out the following notification to Nevada county supervisors and foremen of CWA:

Under date of March 26th Mr. F. M. Young, Assistant Engineer of Captain Edward Macauley, Director of Work Division SERA, at this office approved for transfer to SERA Program beginning April 1, 1934, our former project NE-9-x Supplementary, City of Grass Valley Sewers, NE-10-x, Sup., Nevada City High School Grounds, NE-14-x, Sup., Nevada City Airport, and NE-1004-x, Truckee Sanitary District, together with the transfer of Administrative Office. All other projects covering our county road work projects and street improvements at Truckee, were stopped as of March 29, 1934.

All CWS Projects were terminated as of March 29, 1934.

Under this authorization, I released publicity to the Nevada City and Grass Valley papers and also began arrangements with executives of these local projects for transfer of men from the road projects, to be terminated, into the projects that were transferred to SERA Program beginning April 1, 1934.

After action towards extension of these projects and employment of labor, as released from other projects, there was

(Continued on Page Five)

EASTER

Sunrise Service at Airport

In commemoration of the Resurrection, the good people of Nevada City are going to arise early next Sunday morning to greet the first rays of the morning sun as it rises over Banner ridge.

They are going to gather for their first Easter sunrise service on the resplendent setting of the new airport. On the rounding edge of the plateau, high above the city, a large silvered cross marks the spot where the services will be held. There is something grand, something sublime and imposing in the view from this spot, and this first Easter service will be long remembered by those who attend.

As a fitting ending of the ceremonies, Mr. Jack Wolff, who holds the honor of being the first to land on the new field, in company with Mr. L. A. Perette, will again land their plane at the airport at 6:40 A. M., immediately after the services. It is possible a second plane will also land.

The landing of the planes will of course depend upon the condition of the newly made field, which it is hoped will dry out sufficiently before Sunday.

The sun is scheduled to rise at just three minutes to six next Sunday morning, so don't forget to

"Call me early, mother of mine,
Rouse me, so I'll be in time.
I would not miss this scene divine
This Easter morn's most gorgeous shrine."

The following is the order of the program outlined by Rev. H. H. Buckner at whose suggestion the services are being arranged:

"Christ is Risen"—by Episcopal and Methodist Choirs.

Solo, "Hosanus"—by Lyda M. Talbot.

"All Hail the Power of Jesus"
—Choir.

R. J. Bennett, Address.

Rev. Buckner, Sermon.

High School Band, thirty-two pieces, accompanied by Organist —Mrs. Moody.

Allegro from "The Creation"—Hayden Coronation March from "Le Prophets" Meyerbeer

Choral Awaken My Heart and Sing —Bach.

Benediction.

Boy Scouts are to direct traffic through Nevada City streets to the new airport for the Easter Sunrise Services.

Scout fires will be placed at the Plaza, corner of Pine and Broad and East and West Broad. Boy Scouts will be distributed along the road to Cement Hill to direct traffic.

Good Friday

Good Friday services will be held this afternoon from 2 o'clock until 3, at the Methodist church. The devotions will be directed by the Rev. H. H. Buckner. It is customary for all stores in Nevada City to close during this hour, in order to give their staffs an opportunity to attend.

Trinity Episcopal

The Easter services at the Trinity Episcopal church will consist of the following:

At 10 o'clock, Sunday school.

At 11 o'clock, Processional, Responsive reading, Knights Templar participating. Solo, by Walter Meuron, of Grass Valley, "Gloria Tibe." Solo, by Mrs. Lyda M. Talbot. Sermon by the rector, the Rev. Charles Washburn.

Offeratory solo, by Mrs. Arthur Foote, "Sursum Cordo" and "Sanctus," Gower.

"Agnus Dei" by Mrs. Talbot. "Gloria in Excelsis," Gower. "Nunc Demittus," Gower. Mrs. Johns, of Grass Valley, will be the organist, Burton Shewes, of Grass Valley, violinist.

Methodist Church

Special music and services will mark Easter Day in the Methodist church. The Sunday school meeting at 10 o'clock under the superintendency of C. R. Murchie, will render an Easter program. At 11 o'clock the Rev. Buckner will preach on the signifance of Easter and the choir will sing Easter anthems. Miss Thelma Test will sing the solo. A reception to all members and a baptismal service will follow.

The Epworth League will meet at 6:30 and at 7:30 Ben Sweeney will have charge of the evening service.

French Corral Sunday School

Under the leadership of L. E. Bean the French Corral Sunday school convenes at 10 o'clock every Sunday morning at the French Corral school house. Junior, senior and adult classes have been formed. Parents and friends of the children are cordially invited to attend.

Catholic Church

Holy week services began at 9 a. m., Thursday, with a High Mass, followed by the procession to the Altar of Repose. This procession is headed by cross bearers, who are followed by a number of children carrying small flower baskets. Next comes six boys carrying lighted

NAMES OF TRAFFIC JOB ASPIRANTS CERTIFIED

The board of supervisors met yesterday morning and in compliance with the law, certified the following names of traffic patrol aspirants to the department of motor vehicles at Sacramento.

Nevada City—Jesse E. Moomy, Milton E. Noyes, Joseph Corticelli, Raymond Fleharty, Lorris L. Richardson, Harold B. Wright, William Wasley Jr., Ralph A. Johnson.

Grass Valley—William F. Brock, Pat Samora, Fred E. Morrison, Ronald L. Pascoe.

Truckee—William E. Cocker.

Hobart Mills—Elmer Horan.

BRANCH IN NEV. CITY FOR FOOTE ELECTRICAL CO.

The Foote Electrical company, of Grass Valley, has purchased the business of the Sierra Electrical company from L. A. Hiscox, and will be open for business under the new name and ownership on Monday.

The Foote Electrical company, for many years, has been in the vanguard on the electrical equipment, appliance and service business in Nevada county. Fred Foote, proprietor, stated yesterday, that he believes Nevada City presents a splendid opportunity in his line.

The Foote Electrical, specializes in contract work in all kinds of electrification jobs, installations and equipment. The firm carries Filco radios, Gibson refrigerators, Hotpoint and Graybar ranges, vacuum cleaners, all varieties of household appliances, and washing machines, and brings to Nevada City a fine record of responsible, time-tried service, such as few firms can boast.

Mr. Foote will install a big Neon sign that will help light up Pine street.

STUDENTS HOME

Among the students attending U. C., Berkeley that are spending Easter vacations with their parents, in Nevada City, are: Misses Betty Bettles, Ruth Rector, Beth Curnow, Dorothy Worthley, Catherine Celio, Deynes Foley, Messrs. Gerald Hogan, Delbert Schiffner.

MAURICE PHOTOGRAPHER FEATURES ALL KINDS OF PHOTOGRAPHIC WORK

In a review of this character it is eminently fitting that we devote some space to the excellent work that is performed at this studio and the successful practice of an interesting and artistic profession. The art of photography, which was introduced by Da Guerre nearly a century ago, has within the period developed from a mechanical trade to an art of science, and the photographer of today must be a person of advanced ideas and thorough training so as to successfully compete with those who are now making this profession an art science. As regards to the above, we can say that this studio is in charge of Mr. Maurice, who has for many years made a study of this artistic profession, and is prepared to give customers the latest and best, and this accounts for the fact that modern photography is executed here.

The Maurice Studio is noted for it's portrait photography, enlarging, kodak finishing and supplies. Commercial photography is also a specialty here and in this studio will be seen many of the photographs of estates and numerous other projects over this section of the county. The studio is well located at 107 Mill street, in Grass Valley, with Phone 67. adv.

PHOENIX MINE INCREASES CREW

Twenty-two men are employed three shifts per day at the Phoenix mine below Grass Valley.

An extensive plan of development work is being carried out. At this property all surface equipment is electrically operated. T. S. Davey is superintendent. His father was in charge of the New Alamedan quicksilver mine in the Santa Clara Valley, years ago. This reddish ore was used by the Indians as paint in the early days.

Grass Valley Opens New Clinic and Hospital With All Modern Equipment

Grass Valley and vicinity may be proud of one of it's public institutions, namely, The Landis Clinic and Hospital.

It is modern, has the latest equipment known to the professional science, all rooms are comfortable and cheerful. It is a general hospital, featuring general hospital practice and surgery. The rooms are attractively furnished and remind one more of a home than a hospital. They are very light and airy, and furnished with the latest equipment designed for the care and treatment of the sick and injured.

The laboratory department of the hospital is completely equipped with apparatus to make all kinds of tests and examinations to aid the physician in determining the cause of disease.

The medical staff is composed of men of experience. The doctors are specialists on the cases handled here and use the latest of scientific methods known to the medical and surgical profession. The nurses are people of the highest type and their unselfish devotion to the cause of humanity has inspired them to prepare themselves for the handling of all cases that come under their direction. The Clinic is equipped with Pathology and X-Ray that was secured especially for use in the kind of cases handled and is highly specialized.

Dr. Richard P. Landis, Physician and Surgeon, used great foresight in the opening of this institution well located in the sunny first floor of the Nevada Irrigation Building, South Auburn Street, where it is quiet and yet it's close location to the city lends it much convenience to all the surrounding territory. The Phone is 771. Adv.

COMPLETION OF UKIAH TAHOE ROAD IS URGED

At a recent meeting of the Marysville Chamber of Commerce, a petition was sent to the state chamber of commerce, that they include the completion of the Tahoe Ukiah highway, in the Yuba Sutter area, in the all-state program that body will submit to the Highway Commission.

The Tahoe-Ukiah highway is not only heavily used in the different communities, through which it passes, but has many tourist travelers who make the trip from Emigrant Gap through Nevada City, the Sacramento Valley and up the Redwood highway to Ukiah. This road is the only direct highway across the state of California in the north.

A contract was let last fall for the completion of the Bear Valley uni or eastern end of the Tahoe-Ukiah highway, which it has been learned that it will take a year to complete.

J. Meyers, son-in-law of Fred Miller, of Grass Valley, is the engineer for the eastern end of the road and will reside in Nevada City.

NINE MEN WORKING ON THE SIERRA BUTTE MINE

Nine men are working in the Sierra Butte mine up on the mountain back of Sierra City.

This mine, in early days, had a heavy production record and has been reopened from time to time with varying success.

The Kentucky mine, in the Sierra City district, is steadily gong ahead wth development work.

Work has been resumed at the Opportune mine in Goodyear Creek canyon. Work was suspended last fall because of snow. B. C. Staeger and associates are working the property.

TWO CCC CAMPS FOR TAHOE AREA

The distribution of CCC camps for the summer of 1934 in California, will be, national forests 39, national parks 13, state parks 14, state forestry on private lands 10, a total of 76 according to S. B. Show, regional forester and coordinator for California., In the Tahoe Area, but two camps are to be established.

There were 167 operating in this state last summer and 150 for the enrollment period ending March 31. There will be no changes this year in the total number of CCC camps for the enttire country nor in the number of enrollees and facilitating personnel. Many Conservation Corps companies will be moved from California and the west coast to the middle west and eastern states.

According to a report of director Robert Fechner, the CCC at maximum strength is divided into 250,000 enrollees, 27,600, veterans, 14,400, Indians and 35,000 forestry foremen. The total number of camps will be 1540 including those in Porto Rico and Alaska.

The number of camps assigned to the different national forests in this state are: Angeles 3, Cleveland 1, Eldorado 1, Klamath 4, Lassen 3, Mendocino 2, Plumas 3, San Bernardino 3, Santa Barbara 4, Sequoia 2, Shasta 3, Sierra 2, Stanislus 2, Trinity 4, and Tahoe 2.

Mr. and Mrs. H. G. Lyons and two daughters and Miss Leah Hoover, of San Diego, arrived in Nevada City Wednesday for a visit with Mrs. Lyons' parents Rev. and Mrs. H. H. Buckner. Mr. Lyons will return this week and the rest of the family will remain for the summer.

Wonderful RELIEF
Here's good news for you people whose nerves are so jangled, you can't eat, sleep, or rest; who worry over trifles, start at sudden noises, have Nervous Indigestion, Nervous Headache.
DR. MILES NERVINE WILL RELIEVE YOU QUICKLY. It was originated by a Nerve Specialist especially for people in your condition. It has been making good for more than fifty years.
Hundreds of thousands of nervous people have had an experience like that of Maud Thomas. Read her letter. You too will find the dollar you spend for your first bottle of Dr. Miles Nervine the best investment you ever made. If you don't think so, we will return your dollar.
"Has done me more good than I can express"
I am a Dr. Miles Fan all the way through. I have taken Nervine for 2 years with good success. It is more than it is recommended to be and it has done me more good than I can express. I am in better health now than I have been for ten years. Maud Thomas, Glasgow, Kentucky

STAGE SCHEDULE, AUBURN NEVADA CITY CHANGES

Commencing Sunday, April 1st., the Nevada City-Auburn stage will leave Nevada City ten minutes later in the morning. The schedule will be as follows: Leave Nevada City 7:25 A. M., Grass Valley 7:40 A. M., arriving at Auburn at 8:30 A. M., to make direct connection for Sacramento and the San Francisco trains.

The first inbound stage from Sacramento and the bay region will arrive at Grass Valley at 12:20 P. M. and at Nevada City at 12:40 P. M. The afternoon and evening schedules remain the same.

The stage leaves Nevada City at 3:35 P. M., Grass Valley at 3:50 P. M., for connections for San Francisco M., arriving in Sacramento at 6 P. and Los Angeles. The evening stage arrives at Grass Valley at 6:18 P. M. and at Nevada City at 6:30 P. M. Mail that formerly came on the nite train is now carried by the last evening stage schedule.

MAYO TO SEEK REELECTION TO STATE ASSEMBLY

Jesse M. Mayo of Calaveras county, in a letter to the Nevada City Nugget this week announced his candidacy for re-election to the California Assembly from the sixth district of which this county is a part.

Mayo, who is finishing his first term, stated that he would stand for re-election upon his legislative record at the last session of the legislature.

"I believe," stated Mayo, "that my record in supporting legislatin which materially reduced compensation insurance for mines, tax reduction, a larger distribution of gas tax funds to the mountain counties, hydraulic mining legislation which is facilitating the opening of new claims, and county highways added to the state system, return of utility property to county assessment rolls, and other important legislation affecting the people of the mountain counties, warrants asking the voters to again represent them at Sacramento the coming year.

Mayo also stated that through his district, which is the largest in the state and covers ten counties, he will visit each of the counties during the coming months to personally acquaint himself more fully with the problems of the district.

SUBCFIBE FOR THE NEVADA CITY NUGGET NOW $2.50 A YEAR

CELEBRATION TO MARK SENATOR MISSION GAME

One of the largest Opening Day Celebrations ever planned for Northern California baseball fans will take place on Tuesday, April 3rd., when the Sacramento Senators cross bats with the Mission Reds to start the Pacific Coast League Race for 1934. A novel parade at 12 noon with band music leading a caravan of new cars, furnished by Capital City motor car dealers, carrying the Solon Players, will be the beginning, according to Carl Lamus, Chairman for the occasion. After the parade colorful ceremonies will take place at Moreing Field, where it is hoped Governor Rolph will throw the first ball, however, in his absence a suitable and able substitute will be chosen.

To prove that history repeats itself, the fans will see Gabby Street, new Mission manager, and Earl McNeely new Solon manager, pilot opposing teams as they did about fifteen years ago, when with the St. Louis Clubs in the American and National Leagues, and the clashing of these two old rivals will develop interest and real action. Every inning of this seven-game series will be a fight, and the spirited showing the Senators made against the Chicago Cubs Sunday, will make them awfully hard to take.

Sacramento organizations, particularly the Chamber of Commerce, asks that everyone try to make this a baseball year in Sacramento, and solicit the support of Northern California baseball followers to help put it over. A good slogan to remember—a pennant-winning California team for Northern California supporters.

TOO LATE TO CLASSIFY

PIANO FOR THE BALANCE DUE $94.—We are repossessing a piano in this locality with a balance due of only $94. Will transfer it to you if you assume it at $6 a month, or will discount for cash. For full information as to where it may be seen, address Cline Piano Co., 333 Market St. San Francisco. 3t.

COMPRESSION TROUBLE

Poor compression in the engine of a car cannot be permanently cured by enriching the fuel mixture, according to the Emergency Road Service of the California State Automobile Association. Enrichng the mixture may seem to stop the knocking which results from poor compression, but it leads to other difficulties. A rich mixture usually causes an excess amount of raw gasoline to be drawn into each cylinder on the compression stroke. This raw fuel is forced past the piston rings to the crankcase, where it causes rapid thinning of the oil.

Neglect Is Dangerous

If the slight sickness is not stopped it grows worse, the root of the difficulty grows, then come a cold or some other complication and there is a serious case of sickness and difficult to cure and dangerous to life. But if one takes a few weeks of herb treatments every year these troubles are stopped at their commencement and one keeps health all the time. This is the sane plan to prevent disease. Physicians in China are paid to keep their patients well. When the patient is ill the doctor's fee ceases until his patient is restored to health. Health is as simple as A B C. Disobey nature's law and be sick; obey nature's law and be well. This is the basic principle of life and health. When you are sick use Henry Yee's Chinese Natural Remedies to get well.

JOHNSON TEAM LEADS BOWLING

So far in the bowling tournament, being conducted by the Elks bowling team in Nevada City, the Johnson team is leading and Rollie Wright's team is low.

As a fill-in, Monday evening, Robert Tharp played a record score of 191 and Myers Mobley followed with a tie of 191.

Alton Davies in his first time at bowling, Monday evening, made a fair record as a beginner.

Bev. Barron, a new bowler, made a run-up of a fine score Tuesday evening.

The total pins at present are held by Myers Mobley.

The present series of games will be conpleted about the third week in April, when there is to be a general shake-up and realignment for another series.

The scores follow:

ALL C W A WORK

(Continued From Page One)

received at this office yesterday morning a telegram dated March 26th, from Captain Edward Macauley, Administrator of CWA for California, terminating all CWA Projects, and provides that all such projects approved for extension into SERA will be suspended until orders are released by Administrator of SERA.

This telegram stops all work within Nevada county, under either CWA or extension into SERA.

There will, therefore, be a lapse from March 29, 1934, until such date in the future when projects have been approved and ordered released by Adminihtrator of SERA and no work can be performed or paid for under direction of SERA or compensated through Government funds.

This is to advice you to discontinue all work and release all workmen from and after March 29, 1934.

Yours respectfully,
FRED M. MILLER,
Director Nevada County CWA

Benediction after Mass will conclude the Easter celebration.

Mrs. Leland Smith motored to Sacramento Tuesday for a day's visit with her mother, Mrs. Coldwell of Alturas, who is spending the week in the Capitol city. Mrs. Smith was accompanied by Mesdames Will Gracey, Theodore Rundy, Clem Davis and A. Price.

Mrs. C. R. Tarbell and mother, Mrs. Dora Smith, of Sacramento, are visiting Mrs. Gordon Bettles and Mrs. O. McCraney.

Mr. and Mrs. R. McCain, of Forest Hill, spent Tuesday in Nevada City. Mr. McCain was formerly in the Forest Service of this district but is now at Forest Hill.

NOR. CALIF. FEDERATION

(Continued From Page One)

way is planned for later on that date and a Gypsy Rendevous at the Nationl hotel, will wind up the affairs of the day. Great interest is being taken in this event, and many surprises are in store for those who attend.

Junior Clubs from all over the district, will arrive early Saturday morning and give a program at the Elks hall. Later, the Junior contingent will repair to Lake Vera for a steak bake, in charge of Mr. H. E. Kjorlie, while the adult members will conclude the affairs of the week.

SCOUTMASTER IS CHOSEN TO LEAD SECOND TROOP

Arrangements were made by the Nevada City Boy Scout Council at it's meeting last Monday evening, for a big log peeling bee on Sunday, April 8, at the Nevada City Airport. Veterans of Foreign Wars, compiimented at the council meeting for the interest they have taken in the scout movement in this district, and for their active assistance in peeling logs, were invited to assist the members of the council and the Boy Scouts on that day.

The council recommended dividing the present troop of 38 scouts into two troops, of which Edd Addington, the present scoutmaster, will retain one, and Dr. B. W. Hummelt, will take over the other. Dr. Hummelt was present and was introduced to the members of the council. He accepted the new office and the council agreed that he should have as much aid and many assistants in his work as possible.

The Veterans of Foreign Wars will be asked to sponsor the new troop of Nevada City Scouts.

Much favorable comment was made by members of the council upon the improved morale and conduct of the scouts, and the eager interest the boys are taking in their work. They express great enthusiasm at the near prospect of a new log lodge which they can call their own, as a meeting hall and a place where they can hold their annual jinks, and invite outside troops to be their guests.

Gove Celio Weds Neva M. Reynolds

At a quiet wedding solemnized in Reno, Wednesday, March 28, Mrs. Neva M. Reynolds and Gove C. Celio, were united.

Both are natives, of Nevada City, where they have spent practically their entire lives, and have many friends.

The wedding followed a divorce granted the bride in Reno recently.

Mr. Celio conducts the Plaza Garage and is one of Nevada City's enterprising business men.

EASTER SERVICES

(Continued From Page One)

candles followed by men carrying a canopy under which the priest walks with the Blessed Sacrament.

The Good Friday services begin at 9 o'clock also. This service consisted of the reading of several prayers, the Passion, according to St. John's Gospel and the ressurection of the Cross.

Stations of the Cross at 7:30 p. m.

Saturday morning the ceremonies will begin earlier—shortly before 8 o'clock. First, the puschal fire is blest, then the large candles. Afternoon comes the blessing of the baptismal font, followed by Mass about 9 o'clock.

On Easter Sunday, Masses will be said at 8 and 10:30 a. m. The latter will be a High Mass, the music at which will be rendered by the church choir.

STOP TAKING SODA! FOR GAS ON STOMACH

Much soda disturbs digestion. For gas or sour stomach Adlerika is much better. One dose rids you of bowel poisons that cause gas and bad sleep.—R. E. Harris, Nev. City.
